Gentlemen:

Buffalo's Chamber of Commerce, including in its membership the leading business and professional men of the city, invites you to hold your next convention in Buffalo, the Queen-City-of-the-Lakes. We have every facility for a successful convention, including two great convention and exposition halls, and many smaller meeting places which are at your disposal, free of charge.

Buffalo has a large number of fine hotels, offering unexcelled service at minimum charges, and conducted on both European and American plans. Buffalo is a great transportation center and is easily and conveniently reached from any section of the country on the best trains of the best railroads.

Niagara Falls, world famous for the majesty of its scenery, is only a short ride from Buffalo by train or trolley. Our asphalt paved streets, beautiful parks, handsome homes and stately public buildings will interest you.

Trusting that we shall have the pleasure of greeting you in Buffalo, and assuring you that you will never have cause to regret the acceptance of this invitation, I am

I will greatly appreciate your courtesy in letting me know what was done with the invitations and when and where the next convention is to be held.

We would like very much to interest your society in coming to Buffalo and it does not appear from our records that it ever has held a convention here.
